CABLE SERVICES BUREAU
DAILY DIGEST

VENTURA COUNTY CABLEVISION. Remanded
operator's appeal of local rate order, holding that the
operator must be permitted to offset basic service tier
overcharges with any basic undercharges. Further held that
as long as franchising authority uses the same method for
counting both the total number of labor hours in calculating

an operator's Hourly Service Charge (HSC) and the labor
hours for the various installation and equipment charges in
reviewing an operator's FCC Form 393, then its HSC review
will result in proper cost recovery. City of Thousand Oaks,
California. (By Order [DA 95-1196] adopted May 31 by
Chief, Cable Services Bureau).
